

The image shows the exterior of 'The Tote Trentham' pub. The building has a prominent pink facade with a white sign that reads 'THE TOTE' in large blue letters and 'TRENTHAM' in smaller blue letters below it. In the foreground, there is an outdoor seating area with several wooden tables and black chairs. A large black patio umbrella is closed. The ground is paved with cobblestones. The overall atmosphere is casual and inviting.

A person wearing a tan polo shirt is seated at a wooden restaurant table. They are holding two tall glasses of beer, one light and one dark, both with thick foam. The table in front of them has several baskets of food, including fried chicken and dipping sauces. The background is slightly blurred, showing other parts of the restaurant.
